

Journal of Faith

The end isn't the end; it's merely the beginning of a new chapter. You are a child of Christ, one whom He loves & over whom He rejoices. Always remember you can come to Him. He will not only direct you, but He will embrace you, love you, and care for you.

A journal for you to remember who God is, what He has done for you & who you are through faith.

John 5:21-34

Journal of Faith

This journal has been created and designed for someone who needs to learn (or be reminded of) who God is, all that He has done for you, and who you are because of it.

As followers of Jesus, we not only believe these things with our heads. We must trust that these Scriptures are true and good, and allow them to travel (perhaps the longest 16 inches) from our head to our heart. Then, and only then, can transformation take place.

This journal is not to be read through quickly; even one entry per day may be too much. Go slowly; take your time; meditate. Allow the truth of Scripture to permeate your head and travel that distance to your heart.

Jesus declared to a man who wanted his son to be healed,
"Everything is possible for him who believes."
And as the man so vulnerably cried out to Jesus in
response, so should we:
"I do believe, but help me in my unbelief!"
(Mark 9:23, 24)

Our prayer is that you would be able to come to God full of faith, believing and trusting that everything He says is true.
